

15.7.2015

**Parent Teacher Association Annual Report (2014-15)**

PTA meeting was conducted in the month of January 2015 and June 2015 for the regular batch and in the month of September 2014 and December 2015 for the supplementary batch. The details regarding the PTA meeting was sent through the registered post or courier 15 days in-advance to ask the parent to attend the PTA meeting in order to know the ward's progression. 70% of the parents reported and they met each department heads to know about the ward's progression and about the theoretical and practical/clinical skills of the student and to discuss about the improvement in the upcoming summative examination. All the parents reporting for the PTA meetings conducted were registered in the PTA register and their feedback on an individual basis was also recorded in the PTA register. Additionally, reminder letters were sent to those parents who did not attend the PTA meeting. Feedback was collected from parents reporting to PTA meetings on a random basis to obtain their opinion on various levels including PTA meetings, facilities offered, dental and paramedical faculties teaching skills and approachability, wards progress, safety, extracurricular activities and cleanliness. About 90% of the parents reported that the level of facilities provided was excellent. Specific complainants/issues brought forward by the parents shall be forwarded to the respective committees/incharges for appropriate action.
