**Overall Score: 62**

The Overall Score for the PTE Academic is based on the test taker's performance on all items in the test. The scores for Communicative Skills and Enabling Skills are based on the test taker's performance on only those items that pertain to these skills specifically. As many items contribute to more than one Communicative or Enabling Skill, the Overall Score cannot be computed directly from the Communicative Skill scores or from the Enabling Skill scores. The graph below indicates this test taker's Communicative Skills and Enabling Skills relative to his or her Overall Score.

When comparing the Overall Score and the scores for Communicative Skills and Enabling Skills, please be aware that there is some imprecision in all measurement, depending on a variety of factors. For more information on interpreting PTE Academic scores, please refer to *Interpreting the PTE Academic Score Report* which is available at [www.pearsonpte.com/pteacademic/scores](http://www.pearsonpte.com/pteacademic/scores).

March 22, 2018

Dr. Abinaya Chari  
4521 Harborpointe Drive  
Port Richey, FL 34668

Dear Dr. Chari:

I am delighted to inform you that you have been accepted to the Professional Program for International Dentists at the UCLA School of Dentistry beginning May 2018. We pride ourselves in having an excellent dental education program and I hope that you will become an active member of our outstanding student body. I am confident that you will find our programs both challenging and interesting.

The PPID is an intensive program that begins in May each year and continues for a minimum of 25 consecutive months. The program commences with a pre-clinical review course that includes didactic review and clinical preparatory instruction. After the students successfully complete the pre-clinical courses, they will be rapidly integrated as 3<sup>rd</sup> year students in the UCLA School of Dentistry's traditional four-year program. Students who then fulfill all the requirements of the traditional third and fourth year curriculum will be awarded a Doctor of Dental Surgery (D.D.S.) degree. As with our traditional students, those who do not pass basic competencies will be required to spend extra time to remediate their deficiencies, while those who demonstrate advanced proficiency will have the opportunity for additional training within the normal curriculum.

Please go to <http://my.ucla.edu/> in order to notify us of your acceptance. This online site will allow you to submit the non-refundable deposit of \$3,400.00 and complete the Statement of Intention to Register (SIR). You must log into this site and either submit the deposit or decline the offer by **March 30, 2018**. **Prior to submission of your deposit**, a mandatory information session with a financial aid officer is required. Please contact a financial aid officer via e-mail at [financial\\_aid@dentistry.ucla.edu](mailto:financial_aid@dentistry.ucla.edu) to make the necessary arrangements. **Finally**, your enrollment in the program requires submission of a health clearance by April 13, 2018. The details of this requirement will be sent to you after receipt of your deposit.

We look forward to welcoming you to the University of California - Los Angeles School of Dentistry in May. Please feel free to contact Genevieve Cedillo, PPID Coordinator, at (310) 825-6218 if we can be of further assistance to you.

Sincerely,

Paul Krebsbach, D.D.S., Ph.D.
