SEDATION IN PEDIATRIC DENTISTRY

7th April, 2017

09.00 am - 05.00 pm

Venue: L.H-375 (Mini Auditorium) & lecture hall 5

Organized by

Department of Pedodontics & Preventive Dentistry
Chettinad Dental College & Research Institute, Chettinad Health City,
IT High Way, Rajiv Gandhi Salai, OMR, Kelambakkam, Chennai-603103
www.chettinadhealthcity.com

SEDATION IN PEDIATRIC DENTISTRY

Chettinad Dental College & Research Institute warmly welcomes you to C.D.E programme on "Sedation in Pediatric Dentistry." Managing an uncooperative, fearful, very young child has always been a challenge to Pediatric dentist. Treatment done under General Anesthesia in Chettinad Dental College provides a comprehensive dental treatment in which the entire treatment plan would be done in a single sitting. With advent of Nitrous Oxide Inhalation Sedation, Department of Pedodontics & Preventive Dentistry in Chettinad is moving to next step of managing the child's behavior, allaying the child's fear of chair side procedure.

We are looking forward to your esteemed presence and valued participation to make this event a memorable one.

Invited Speakers

Dr. Lailu Mathews, M.D

Dr. Lailu Mathews is presently working as Professor and Head of the Department of Anaesthesiology & Critical Care at Chettinad Hospital & Research Institute. She completed her post graduation from Christian Medical College, Ludhiana in 1994 and worked at prestigious institutions like Institute of Cardiovascular Diseases-Madras Medical Mission, College of Oncological Sciences, Chennai and Pondicherry Institute of Medical Sciences. She is a peer reviewer for the esteemed journal, Annals of Cardiac Anaesthesia. Her areas of interest are Pediatric anaesthesia and Thoracic anaesthesia

Dr. PR. Chockalingam, M.D.S

Dr. PR. Chockalingam is the Consultant Pediatric Dental Surgeon from Chennai and has his own exclusive Dental center for Children Srithi™. He is "The Tamilnadu Dr.M.G.R Medical University" topper in post graduation (2006). He is the author of text book "Illustrated Pediatric Dentistry" published by renowned International publisher Lippincott Williams & Wilkins which is currently the prescribed book in several colleges all over India and Southeast Asia. He is an official speaker for several regional forums including the Hemophilic Society, Tamil Nadu Chapter and has presented more than 30 papers at various State and National level conferences.

Dr. Abhinaya Reddy, M.D.S

Dr. Abhinaya Reddy is working as Reader, Department of Pedodontics and Preventive dentistry at Sri Sai College of Dental surgery, Vikarabad. His department is pioneer in the country in the use and propagation of Inhalation sedation for children during dental treatment. He has extensive experience in treating young children under Inhalation Sedation. conferences.

SCIENTIFIC PROGRAMME

8.00 am - 8.30 am - REGISTRATION

SESSION I

8.30 am - 9.10 am

- ADVANCES IN ANAESTHESIA OVER DECADES... WHERE ARE WE?
- Every journey starts with the first step

Prof. Naheed Azhar

Professor, Anaesthesia,
Stanley Medical College.

9.10 am - 9.50 am

- ROLE OF ANAESTHESIOLOGIST IN AWAKE CRANIOTOMY

- Where precision counts...

Dr. Vidya Mohanram

Senior Consultant,
Fortis Malar Hospitals, Chennai

9.50 am - 10.30 am

- CHALLENGES IN PAEDIATRIC DIFFICULT AIRWAY MANAGEMENT

- Daring as a trapeze act!

Dr. S. Ramesh

Consultant Paediatric Anaesthesiologist,
Kanchi Kamakoti Child's Trust Hospital

10.30 am - 11.00 am - INAUGURATION

11.00 am - 11.15 am - TEA BREAK

SESSION II

11.15 am - 11.55 am

- ANAESTHESIA IN RESOURCE LIMITED SETTINGS

- Leave no stone unturned....

Prof. Lt.Col. K.R. Siva Shankar

HOD - Anaesthesia & Critical Care,
D.Y. Patil Medical College, Mumbai.

11.55 am - 12.35 pm

- ANAESTHESIOLOGIST AS PAIN PHYSICIAN IN TRAUMA UNIT - WHAT'S NEW?

- Time and tide wait for none

Dr. Krishna Shankar

Senior Consultant,
MIOT Hospitals, Chennai.

12.35 pm - 1.05 pm

- STRATEGIES TO PREVENT ANTIBIOTIC RESISTANCE IN INTENSIVE CARE

- Hastening the journey to recovery...

Dr. M.S. Kalaiselvan

Associate Professor,
Anaesthesia & Critical Care
Saveetha Medical College.

1.05 pm - 1.30 pm

- LUNCH BREAK

1.30 pm - 1.45 pm

- PRIZE DISTRIBUTION

SESSION III

1.45 pm - 2.25 pm

- CARDIAC TRANSPLANTATION - AN OVERVIEW

- A new lease of life!

Dr. Kanagarajan. N

Senior Cardiac Anaesthetist,
Institute of Cardiovascular Diseases,
Madras Medical Mission, Chennai.

2.25 pm - 3.05 pm

- ECMO... THEN AND NOW
- Keep the clock ticking.....

Dr. Satyen Parida

Professor, Anaesthesia,
JIPMER, Puducherry.

3.05 pm - 3.45 pm

- RECENT ADVANCES IN POST OPERATIVE PAIN MANAGEMENT
- Smile your way to painlessness!

Dr. Amarnath Moni

Associate Professor, Anaesthesia
Chettinad Hospital & Research Institute

- TEA

3.45 pm - 4.00 pm

NATIONAL CONFERENCE ON NANOTECHNOLOGY IN MEDICINE

Nanomedicine is the application of nanotechnology and biotechnology which promises increased possibilities in the field of medicine. Nanomedicine desires to deliver research and clinically reformative devices in the near future. National Conference on Nanotechnology in Medicine almost covers wide varieties of topic like nanosensors, nanodrug, nanoparticle, nanomaterials, nanobiotechnology, nanotoxicology and nanopharmaceutics.

Nanomedicine and its biomedical applications open an avenue in valuable research and clinical diagnostics devices. This area provides gateway for pharmaceutical industry like advanced drug delivery systems, new therapies, nanomaterials for imaging technology and targeted drug delivery. Another aspect and very active role of nanomedicine is to exploit the toxicity and impact of nanoscale materials to the environment to make them biocompatible.

National Conference on Nanotechnology in Medicine is a unique platform to interact with experts in the field of nanomedicine, biotechnology, tissue engineering and regenerative medicine from all over India. The conference provides opportunity to share experience, foster collaboration through different kinds of presentations. This conference is perfect stage that initiates new innovative ideas, capabilities and discoveries that need to be explored.

Theme: The conference accepts principles and application of nanotechnology in medicine including the following thrust areas;

- Diagnostic approaches of nanotechnology and biotechnology
- Nano enabled drug delivery
- Biomedical devices and nanobiosensors
- Fabrication of nanoscaffolds and application in biology
- Engineering of novel nanostructure
- Application of nanotechnology in biotechnology & medicine

Note:

Participant are advised to start early so as to reach venue on time (The institute is 30 - 35 km away from Chennai city Centre) Participants are requested to make their own travel & Accomodation arrangements.

About Chettinad Health City (CHC)

Chettinad Health City (CHC) is a state of the art tertiary care facility housed in a sprawling hundred acre campus, located at Kelambakkam along the IT corridor of Chennai with a built up area of over 1.2 million sq.ft., conforms to international standards in health care. CHC houses a medical college, a 750 bed medical college hospital, a 350 bed super speciality hospital, a nursing college, a dental college, Faculty of Allied Health Sciences, a community center and several residential complexes. Chettinad Academy of Research and Education is an integral part of CHC taking care of medical education and research. Chettinad Hospital & Research Institute (CHRI) is a major component of CARE. With its ultra modern infrastructure and a team of highly qualified and experienced faculty, it aims to bring out the best in every student.

About Faculty of Allied Health Sciences

Faculty of Allied Health Sciences offers B.Sc. & M.Sc. degree in innovative programs and addresses the emerging areas at the interface of different disciplines. These programs are well designed, multidisciplinary courses with the unique advantage of CARE's highly qualified faculty members and state-of-art facilities. These courses generate well trained skilled experts in the field of biomedical sciences to fulfill the requirement and demand of industry and society.
