SUMMARY:

We the **CRI of F BATCH** conducted a event on **INTERNATIONAL DISABILITY DAY** 09.02.2022

On the occasion of the international disability day we want to spread the people how to help disabled people and special children maintain their oral hygiene. We made some poster and chart presentation to spread the awareness on the same.

International disability Day 2022 , was celebrated as Special event by **CRI OF F-BATCH** , Department of public health dentistry, CDCRI .

The awareness programme was conducted in Chettinad General Hospital in Poonjeri in patient waiting area .An approximate number of 50 patients were addressed .Each chart was explained individually, predominantly in Tamil language.The target audience, primarily patients and caregivers, were explained about the significance of celebrating this day..All questions raised by the patients were clarified.
