

NATIONAL DENTIST DAY 2022

DATE: 07.03.2022	NO.OF INTERNS: 9
FACULTY: DR. JAGANNATHA, DR. NAGALAND, DR. NAGAPPAN, DR. CYRIL BENEDICT	ORGANIZING AGENCY : CDCRI LOCATION: DENTAL BLOCK AND ADMIN BLOCK

Today on the event of celebrating the **NATIONAL DENTISTS' DAY** which falls on the 6th march every year. The day was celebrated with the main theme of giving thanks to the dentists for their services in this society and educating the public on increasing their awareness on oral health care. This year on our part we celebrated this day with all precautions during this **COVID-19** pandemic

This year we the G batch 2016-2022 BDS involved ourselves with much involvement in celebrating 'OUR DAY' engaging ourselves in sharing happiness and experiences in the path of dentistry with our staffs, fellow colleagues and our juniors.

We depicted our thoughts through various props which each of us made with individual efforts spoke about it with both dentists and public. We like to appreciate the efforts taken by the **DEPARTMENT OF PUBLIC HEALTH DENTISTRY** the staffs and our seniors to give importance to this day and make it a memorable one.

WALL HANGERS AND PROPS

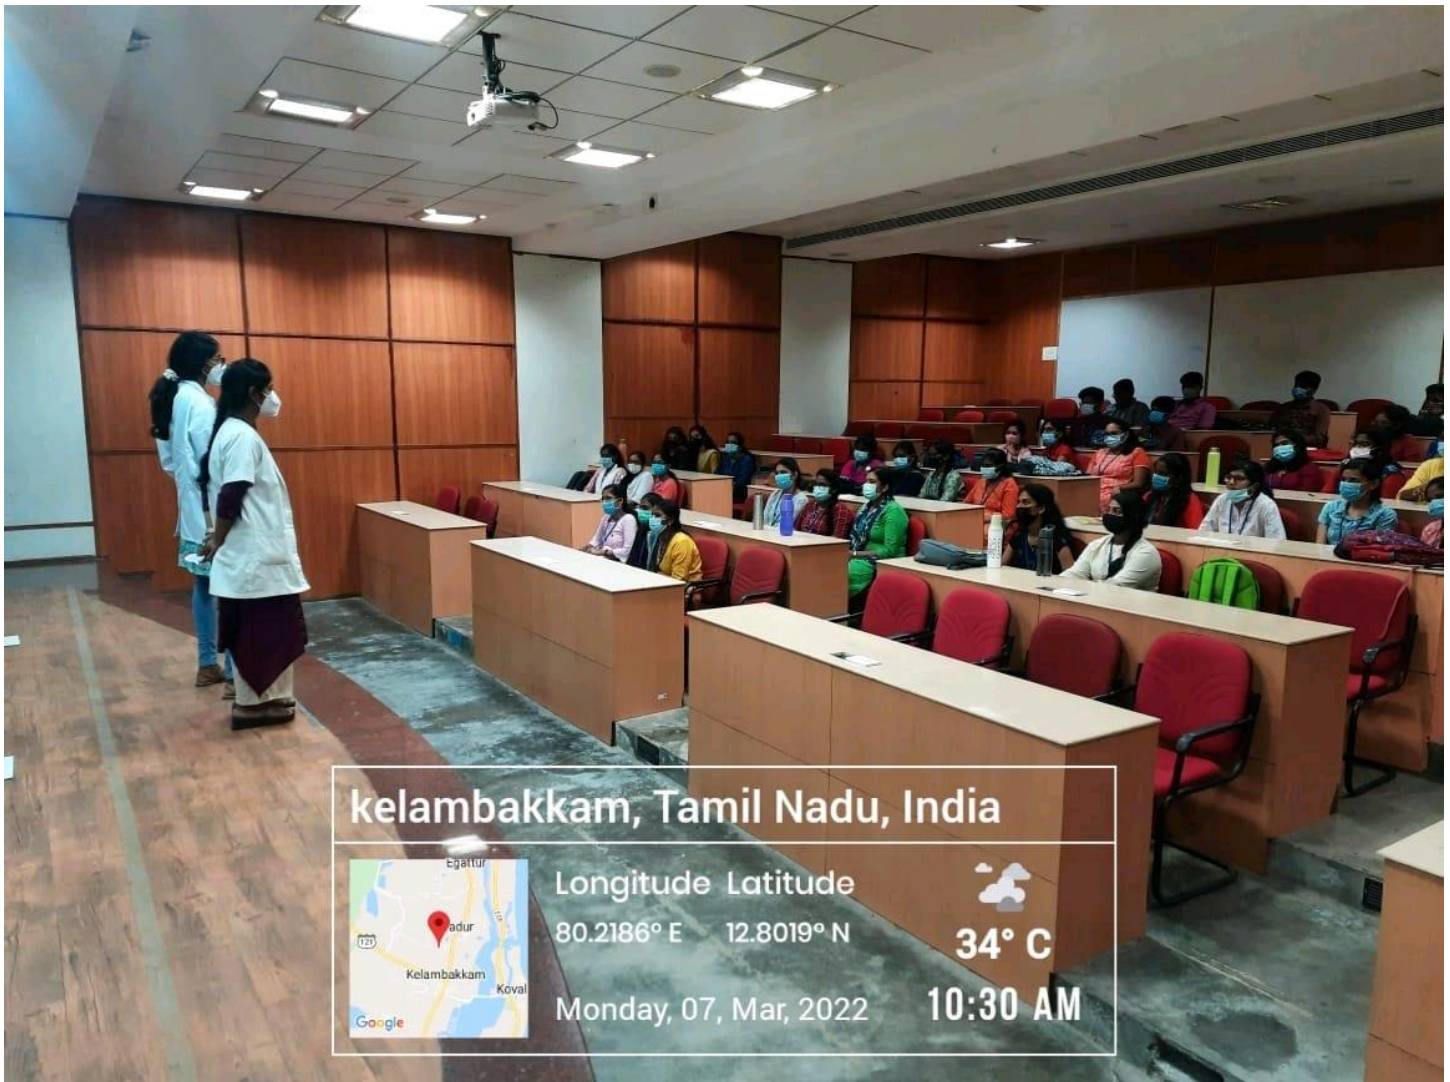

All our staff members enthusiastically participated in writing their experiences and memories in their path of dentistry

Also there was a fun-filled interaction with the first year students where we interacted on how they chose dentistry and gave them idea about various specialties in this field.

The day was memorable and fun-filled as it was significant in its own way which made it more special and we thank the department of public health dentistry, our HOD, staffs and students for making this day a grand success.
