

## PATIENT COORDINATION

The patient coordination committee was framed by the dean dental college to standardize the Patient management records in all departments and facilitate mobilization of patients to Chettinad dental college through a recall department.

### Objectives of the library committee:

The genesis of patient coordination committee was on August 2013.

The Aim & objectives of the committee are the following:

1. The main objectives of the committee is to monitor quality treatment delivered to the patients.
2. The committee coordinates with the staff nurse of all the departments in maintaining outpatient records both manually and using patient management software
3. The committee coordinates with the staff nurses and students encouraging them for interdepartmental referral of patients.
4. Committee also overviews the main billing reception on speedy registration of patients
5. The committee coordinates with patient for their grievance redresses and also to reschedule the broken appointments at their convenience.
6. Comprehensive treatment is planned for each and every patient so as to enhance the op entry as well as to benefit the patient.
7. Committee also monitors the A-block OP , in order to improvise the patient inflow.
8. Register maintenance by the nurses of all the department is inspected by the committee on regular basis.
9. Patient feedback is taken and the grievances are addressed.
