

## STUDENTS CAREER GUIDANCE

### PURPOSE

The career guidance cell provides relevant academic and career information to enable students to make informed decisions along the way. Our focus is to provide learning/ social development and to prepare students to meet their future challenges.

### OBJECTIVES

To conduct a survey among students on their career options

To conduct orientation programs for fresher's

To organize programs to create awareness about options available after under graduation by eminent resource person

To organize diagnostic tests and coaching classes for competitive exams such as AIIMS and NEET, and counsel them for higher studies

To organize campus interviews for passing out students and to recruit them in corporate dental clinic and insurance sectors

To organize and offer various programs on personality development, soft skills and communication skills

To organize Pre placement training programs to enable students to showcase their skills during the interview
