With a note called “A oral cavity is the mirror of general health”, the World Oral Health Day is celebrated throughout the world on 20 March. The appropriate social distancing norms were abided by. We followed the theme given by FDI "Be Proud Of Your Mouth”and organized the events which falls under the theme. We involved ourselves in celebrating this event with general population visiting Chettinad General Hospital and school students of Buvana Krishnan Matriculation Higher Secondary School, Kelambakkam. We as a batch split our works among ourselves and made charts, Photo booth, Model, Awareness videos on oral health hygiene and properties for games and conducted games for them to make them participate happily. We explained about the importance of oral health hygiene via oral hygiene models & aids and dental treatments via various games and model depicting the common oral diseases and their treatment modalities. We highlighted the importance of oral care during pregnancy via chart description. Various events such as Essay Writing, Poetry Writing, Drawing, Awareness talk, Quiz and felicitated the winners of each event. We thank the department of Public Health Dentistry for giving this opportunity for motivating us to organize the event and for their support to us in making the event a memorable one.
