ABSENTEE: GOGULA KRISHNAN D

- We the C batch students had our first visit to rural health centre on 15.02.2021 (Monday) with the guidance of Dr. Cyril Benedict sir.
- We went on a tour to all the departments in the health centre.
- We also observed how the Primary Health Centre works and enquired about the number of patients who visit the health centre on daily basis.
- We got to know about the National Health Programmes and schemes that are used in the health centre.
- We saw how the dental department functions in the primary health care setup.
- We also gave a small awareness program on the topic Do's and Don'ts for maintenance of proper oral hygiene using a chart.
