

Chettinad
Dental College & Research Institute

Accredited by NAAC with 'A+' Grade

**ADMISSION TO
M.D.S. DEGREE COURSE
(ACADEMIC YEAR 2026-2027)**

Admission to M.D.S. Degree Course – (Academic year 2026–2027)

Information bulletin for candidates who applied for Dental common counseling conducted by Directorate of Medical Education (Secretary Selection Committee, Kilpauk) for Admission to BDS Degree Course offered in Chettinad Dental College and Research Institute, Affiliated to The Tamil Nadu Dr. MGR Medical University, Guindy, Chennai and Dental Council of India, New Delhi.

About the Institution: Chettinad Dental College and Research Institute (CDCRI):

Chettinad Dental College and Research Institute (CDCRI) is a recognized Dental institution affiliated to The Tamil Nadu Dr. MGR Medical University. The Institution offers BDS & MDS courses having well qualified and dedicated faculty members. CDCRI also boasts of state of the art infrastructural facilities, renders dental care of international standard and promotes various research and development activities leading to large number of publications and patents. The Institution is a NAAC accredited institution with 'A+' Grade.

Infrastructure:

The campus is pollution free with green zones, battery operated vehicles and bi-cycles as well as supported with escalator to commute within the large campus. The entire campus is wi-fi enabled to provide access for the students to enhance their learning. Entire campus is monitored with Closed-Circuit Television (CCTV) for safety and security purposes. Institution promotes research and development. The students have received scholarships from various national research agencies like ICMR etc.

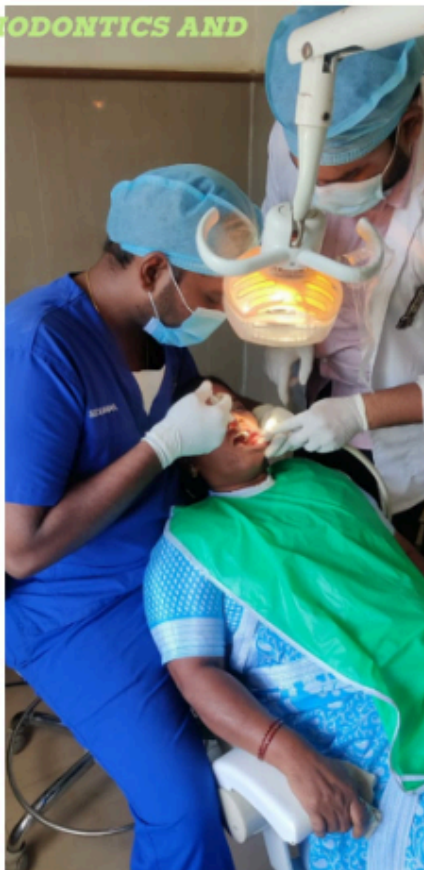

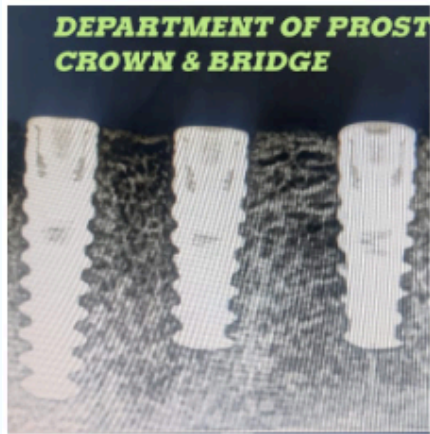

MDS Curriculum: MDS course in various specialties of dentistry, which includes Orthodontics, Periodontics, Oral & Maxillofacial Surgery, Prosthodontics, Conservative Dentistry and Endodontics, Oral Pathology & Microbiology, Pedodontics & Preventive Dentistry, Public Health Dentistry and Oral Medicine & Radiology.

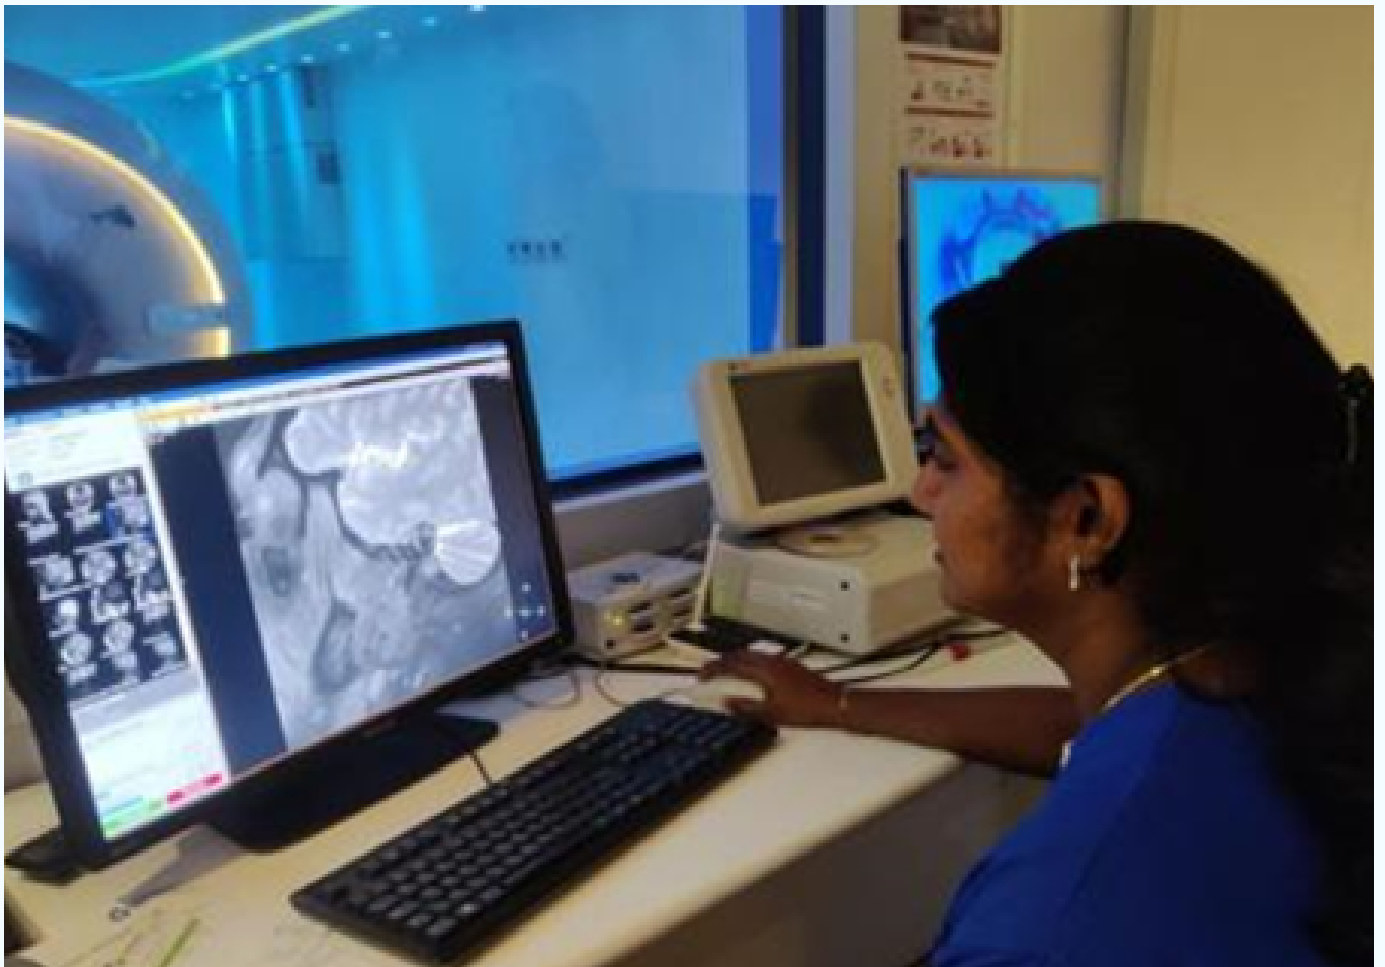

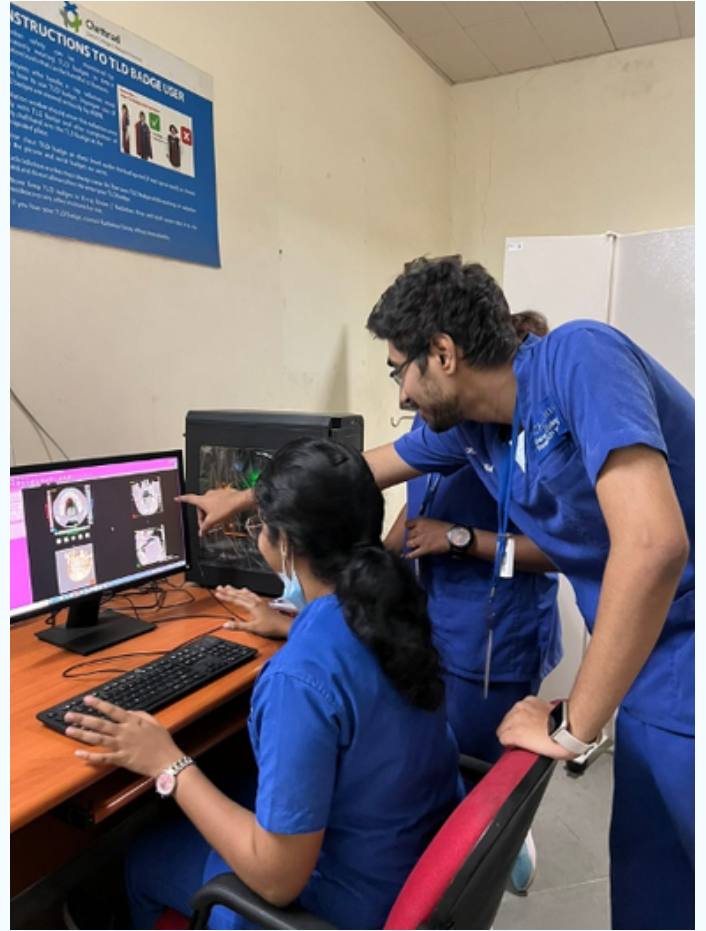

MDS : Approved Seats

Auditorium: Sigapi Achi Convention Centre is acoustically designed and consists of a 1200 gallery-type seating capacity with central air-conditioning. The auditorium has been awarded three prestigious award for the best interior and architecture – “IID Anchor Award’11”, “AIT - Global Award for the very best interior and architecture 2012”and “Gyproc Award2012”. A mini auditorium, a gallery -type Conference Hall and Seminar Hall to seat 375 and a Banquet Hall are also available to organize meetings of any size.

Hostel facilities: Comfortable well furnished hostel accommodation separate for boys and girls is available. Wi-Fi, Laundromat and Ironing facilities are provided in Boys' and Girls' Hostels and the hostels have a Central Vacuum System for efficient cleaning of the rooms and corridors. Which are all inclusive within the hostel fees structure.

Student Amenities: A Food Court with multi cuisine restaurants, Café, Beauty Parlour, Stores, Bank, ATMs, etc are available within the campus.

Transport

Campus Security: Since the campus is located in the rural area, security is of prime importance. I.T. based security initiatives have been taken to ensure continuous monitoring. The campus is covered with CCTV cameras monitored round the clock to alert on any security incident. The college areas are secured by turnstile gates and physically restrict non-campus personnel having free access to the student areas.

Attendance Monitoring: Biometric and RFID based comprehensive Attendance Management System with finger print recognition has been installed in all Lecture Halls, Demo Halls, Laboratories, Libraries and individual departments to ensure secure attendance monitoring. Attendance Management system has in-built facility of sending automatic SMS alerts to parents and guardians of the students.

Internet connectivity & Wifi enabled campus: The students and faculty members are provided with wireless internet access so as to facilitate knowledge transfer collaboratively and improve the learning experience in campus. Reliability, scalability, security were the major considerations to stay advanced and provide latest services. The Wifi enabled devices can connect in to the campus LAN and access Intranet and Internet facilities. The wireless access is spread across the campus to enable the students to have internet access in Lecture Halls, Library and Hostels.

Library: Well stocked and well maintained library facility with virtual library and CD ROM, e-library, Medlar facilities makes self learning pleasurable and instils interest in research and motivates towards high order of academic excellence. The library database is regularly updated with the increasing number of courses and students both as books and electronic forms. The library facilities are open to the students and faculty members of CDCRI and its location near the central lecture hall facility enables the maximum utilization. The library is computerized using in-house developed LibraryManagement System.
